

Gamecock Devotion

Compete- to strive to outdo another for acknowledgment, a prize, supremacy, profit, etc.; engage in a contest;

Our coaches scream it every day in practice and it is exactly what our program is about. **COMPETING!!!** It is what separates us on day two in a tournament from any other school in the country, we will out compete anyone! In faith, in academics and in basketball we will work so hard that we will find a way!

God teaches us that competition originated in Him and that He desires for us to compete in life too. However, competing for a God who is eternal contains much more purpose than just competing for a trophy that will only rust. God tells us that when compete for Him we make a difference in **ETERNITY**, which is so big it is impossible for us to even understand. You choose every day if you will compete for God or not, my payer is that you would compete for Him and for His glory.

1 Corinthians 9:25

Everyone who competes in the games goes into strict training. They do it to get a crown that will not last; but we do it to get a crown that will last forever.
