

Gamecock Devotion

A GAMECOCK PRAYER

Dear God, I know you truly are the Coach who knows me best so let me begin by thanking you for still putting me in the game despite how many times I turned the ball over. As I go to battle today for the Gamecocks will you give me the:

1. Passion-to fuel greatness and energize those around me
2. Purpose- to have direction no matter what my circumstances
3. Perspective- never to lose sight of where I came from
4. Purity – to strive for clean thoughts and actions
5. Poise- to stay true to my convictions no matter what
6. Pride- to win every situation and believe in what you are doing
7. Persistence- to keep pursuing my goal no matter what
8. Power- to tap into your contagious inner strength
9. Patience- to wait on you and not get ahead of your timing
10. Platform- to explode your message and not mine

And coach, help me to understand YOU are the coach and I am simply a player on your championship team. Be with my teammates and those who influence them, and I pray above all, we might win for you today.
